COMENTARIOS DEL VENDEDOR

RCV22010601LMA Casa Mariana trata con un terreno en esquina con un estricto reglamento de construcción condominal, tratando de salvar vistas sin sacrificar la intimidad de la vivienda, en un residencial caracterizado por el incomodo ventaneo entre vecinos. El resultado es una planta en forma de L con dos circulaciones principales, que organizan los espacios públicos y privados, y que convergen en la escalera que conecta ambos niveles.
